

## Physiotherapy for Chronic Respiratory Diseases Education Series 2025

### SESSION ONE

# BACK TO BASICS: AIRWAY CLEARANCE

CFPhysio.com Inc is launching the clinician education series for 2025

As a not-for-profit organisation striving to promote confidence, skills and knowledge in physiotherapists working with people with chronic lung disease, the 2025 series will deliver content across a wide variety of topics including inhalation therapy, airway clearance in practice, enhanced healthcare communication, and more.

The first session in the series "Back to Basics: Airway Clearance" will address the foundations of airway clearance techniques/strategies used in the management of chronic suppurative lung disease. This session will provide you with information to enhance your clinical reasoning and apply your knowledge across the respiratory cohort. Registration is \$30 to attend this live one hour virtual session. This session will NOT be recorded.

If you have any issues registering or questions please email Jen Hauser at [cfphysioinc@gmail.com](mailto:cfphysioinc@gmail.com)
