

PHYSIOTHERAPY MANAGEMENT IN CHRONIC RESPIRATORY CONDITIONS EDUCATION SERIES 2026

DYSFUNCTIONAL BREATHING ACROSS THE LIFESPAN

**LIVE 1.5-HOUR EDUCATION SESSION
MONDAY JULY 20th 7.00PM (AEST)**

In this live 1.5 virtual education event you will have the opportunity to learn more about applying the theories underpinning breathing pattern disorders to your clinical assessment and management in both the adult and paediatric populations. Gain more confidence in being able to recognise dysfunctional breathing, and build your toolbox to support individuals impacted.

Registration: \$45

This session will NOT be recorded

Presenter: Janet Bondarenko
Senior Respiratory Physiotherapist, Alfred
Hospital, Victoria

Presenter: Joanne Leavitt
Advanced Respiratory Physiotherapist
Queensland Children's Hospital,
Queensland
