

## PHYSIOTHERAPY FOR CHRONIC RESPIRATORY DISEASES EDUCATION SERIES 2025

# THE BASICS OF INHALATION THERAPY FOR CHRONIC LUNG CONDITIONS ACROSS THE LIFESPAN

## CFPhysio.com Inc clinician education series 2025

As a non-profit organisation striving to promote confidence, skills and knowledge in physiotherapists working with people with chronic lung disease, the 2025 series delivers content across a wide variety of topics including inhalation therapy, airway clearance in practice, enhanced healthcare communication, and more.

In this live one-hour virtual education event you will have the opportunity to learn more about the basic principles of inhalation therapy in chronic respiratory conditions across the lifespan. Gaining an understanding for the role of the physiotherapist, the importance of technique, safety, and equipment options, to optimise the impact of inhalation therapy. Registration is \$30 to attend this live one hour virtual session. This session will NOT be recorded.

If you have any issues registering or questions please email [events@cfphysio.com](mailto:events@cfphysio.com)
